NOMINATION

Of a person to The Quilters Hall of Fame

All nominations are welcome.

The Selection Committee reviews nominations.

One individual is selected each year unless other priorities take precedent.

Please complete the enclosed Nomination Form giving your unbiased testimony of the person you are nominating. Explain succinctly why your nominee should receive this honor. Along with your Nomination Form, include a curriculum vita or resume of your nominee and at least two (2), but no more than ten (10), letters of recommendation.

SIX COPIES of each of the above papers should be mailed to The Quilters Hall of Fame, P.O. Box 681, Marion, IN 46952, to reach that office no later than September 1st of each year.

Inductions take place at the annual Quilters Hall of Fame Celebrations. The Celebration is a weekend event generally held around July 19th – the birthday of Marie Webster. A quilt show will feature the honoree or will relate to the honoree's work. Being honored by The Quilters Hall of Fame lends further recognition to the honoree's career and because most honorees have business expense accounts, it is our position that the honoree is responsible for his/her transportation to Marion. Accommodations while in Marion are the responsibility of The Quilters Hall of Fame. Financial assistance in the staging of the honoree's exhibit will be sought by The Quilters Hall of Fame with assistance from the honoree.
